School Committee

The School Committee has spent the last several months reworking and updating the School Committee By-Laws to come more in line with the Archdiocese. We are hoping to complete them this month and vote to accept the updates and revisions. We have also been working to add a School Committee tab to the school website. We hope to have this up and running this month as well. This tab will work to continue communication between the School Committee and the parents. Look for details to follow once this tab has been completed.

We are still looking to fill an open position on the School Committee. This position will have the opportunity to work with all members of the committee as they learn their roles and responsibilities. We would encourage anyone interested in learning more about the School Committee to contact Kathryn Ascher at davekathrynascher@gmail.com or join us at a meeting to learn more.

All That Jazz

February 17, 2012 Make sure to mark your calendars for the St. Anthony Christian Formation dinner auction event! We are blessed to have an excellent Lifelong Faith Formation program that offers so many opportunities for spiritual growth right in our own parish: Bible study, second grade and junior year sacraments preparation, marriage ministry, Bible camp, Molly ministry, retreats...just to name a few. Let's show a strong school support for this important fundraising event. How can you do that you may ask? First, attend the event on February 17. Invitations should have just arrived in the mail. Also, donate items for the auction. If you are interested in donating money to be combined into group purchases, please send a donation to school marked Ogden/All that Jazz donation.

Box Tops

Happy New Year! Make collecting box tops part of your New Years resolutions and support your school!

What are eBoxTops® credits?

eBoxTops®, like physical Box Tops, are worth 10¢ each for your school. However, instead of clipping these Box Tops and sending them into your designated school, eBoxTops® credits are awarded electronically to your school earnings at btf.com and will be included in your school's next Box Tops check amount.

How does Click & Earn work?

First register with the Box Tops for Education website, or if you're already a member, log in and confirm your information. Then click on any one of the different activities available to start. Maybe you'll view a video, or take a survey, or provide feedback on a product. For every activity you complete you'll be instantly credited with eBoxTops® credits that go directly to your designated school. It's that simple. You give us your time and your valued opinion and we give your school 10 cents for every eBoxTops credit you earn!

We will be adding new activities as we continue to grow this program, so be sure to visit often to check out the new activities we have available for you to earn cash for your designated school. Anyone can join so be sure to share this opportunity with your friends, family and colleagues and see your school's earnings grow even faster!

LIBRARY HELP NEEDED

Consider giving additional help in the library this month – anyone can help! As you have noted, our library will close for most of this month – this will allow time to scan and enter everything into the database. To this end we are looking for assistance with scanning, creating bar codes, filing, and some other miscellaneous items. Susan Barnhart is willing to train you on Thursday, January 5 during the school day. If that date does not work, contact us and we will provide an alternate. Help can be obtained from Chris DeBuhr, Susan Barnhart, or Barb Heinle. Your help will open the library sooner!!!
