School Committee

The School Committee would like to thank the following people for their hard work and dedication as they spent their time working in the Summer Enrichment program. We would also like to thank all the students who participated and spent their summer reading and participating in various activities to expand their mind, body and spirit. The students enjoyed an assembly to celebrate their accomplishments from the summer.

Angie Flanagan	Patrice Hofbauer
Sheri Krahn	Tina Lachajewski
Leslie Lange	Amy Miller
Darcy Dampier	Kristin Thomas
Kristin Nines	Melissa Riley

Please take a moment to thank them, for this program would not be a success without them.

Mrs. Wood was the teacher representative at our last School Committee meeting. She was very happy to share with us that the Smart Boards for the kindergarten and first grade classrooms are very close to being installed. Both Mrs. Wood and Mrs. Fox have taken several classes to prepare themselves for the arrival of their Smart Boards. We are very fortunate to have several teachers that are very well versed on the Smart Boards and all that they can do to enhance the learning/teaching process here at St. Anthony's.

We wish the teachers well as they join other schools on Thursday at St. Charles in Hartland for the Sustaining the Mission Teachers Conference. Our staff is looking forward to sharing in this opportunity for faith formation.

Many of the School Committee members will be attending the Come to the Feast Conference on Saturday, facilitated by Fr. Tony. We look forward to having a day to reflect and grow in our faith. As a committee we look to continue to grow as a team working together for our children here at St. Anthony's as we strive to provide a faith filled environment balanced with a strong education.

School Committee President

Market Day News

Order our Bonus Desserts & Help your Child's Class Win a Non-Dress Code Day!

Most pies are consumed during the month of November, so there's no better time to launch a contest to see which class can generate the most dessert orders this month! The winning class will be rewarded with a non-dress code day!

See the enclosed list of all the yummy pies and cakes that are available just in time for Thanksgiving. Ask your grandparents, family and friends if they would like to order a dessert and save time in the kitchen for turkey. If they would rather bake their own pies, maybe they would consider ordering a pie to be donated to a local food pantry for a Thanksgiving meal. The donation still counts as an order for your child's class and it will bring a smile to someone on Thanksgiving. At order pick up on Wednesday, November 16, just let us know if you'd like your desserts donated and we'll take it from there!

AND, we have expanded the Market Day pick up times for November to make collecting your order more convenient! New pick up times are 2:15 pm – 4:15 pm and 4:15 pm – 5:30 pm (for prepaid orders only) on Wednesday, November 16, 2011.

Please submit your Bonus Desserts order along with your regular Market Day order either online by Saturday, November 12 or to the school office by Wednesday, November 9.

If you have any questions regarding our contest or Market Day, please do not hesitate to contact Jeri Nimz at jnimz@wi.rr.com or Rita Nell at mnell1@wi.rr.com.

Let's see if we can reach a goal of 100 dessert orders this month!

Volunteer Opportunities - Tournament Brochure Director

We are looking for someone to champion the project of our 2012 tournament brochure. This person will solicit for ads, run the cover contest, and work with the printer to put together this year's tournament brochure. It's a rewarding short term job that will end the 1st week in February. The work can be done on your own time. It's estimated to require 15-20 hours to complete. Last year's resources will be handed over. If you have talents in this area and would like to help, please contact Paula Horning at phorning@shorewest.com.

You don't need to have a child in grades 5-8 to be involved in Athletics. Our next meeting is Tuesday, November 1st at 7:00 pm at St. Anthony's. If you are interested in joining the committee, attend our next meeting or contact Barb Heinle @ 691-0460 for details.

BRC will meet until Thanksgiving...and resume after Easter--possibly on a different day (TBD).

Words of Wellness

Halloween Candy. What are you going to do with all that candy? How about keeping your favorite couple of pieces and giving up the rest? The Wellness Committee has come up with two ways to do this.
#1 Bring your candy into school on Tuesday, November 1st. All candy brought into school will be turned into 'Operation Gratitude' an organization which ships candy overseas to our troops. Please include a personal message or card, which will be sent over as well.
#2 Bring it into Pewaukee Dental, off of Capital Drive. They will pay you \$2.00 per pound of candy up to 10 pounds. They are collecting candy Tuesday, November 1st from 4-6 pm. Their number is 262-691-9832 if you have any questions. Have a safe and Happy Halloween!!
