IS THIS SOMETHING YOUR FAMILY WILL WANT TO DO AGAIN IN THE FUTURE? WHY/WHY NOT?

Dear Parents,

The service component of the family program is an important tool for you to use to help teach your children what it means to put our Catholic faith into action in the world. The reflection form on the reverse side is meant to aid you in having a conversation with your family about your shared service experience. We request that you fill in the form as best you can after talking with your family and turn it in to the "Important Papers" bin at Family Program. It would also be wonderful if you would include a picture of your family doing service or leaving your house to do service. The picture could be taken with a camera or drawn by one of your children.

Since this is a new undertaking, your reflections are an important means for us to evaluate this new learning component. Later this year we will consider the impact the service projects have had on us as families, on our faith community and on the community at large. We may also use this information to highlight this aspect of Family Program in a future bulletin or newsletter.

Sincerely,
The Family Program Staff
