### Tuition Policy Information for the 2012-2013 School Year

The parish community of St. Anthony recognizes that the Christian education of its children is a very important responsibility. The financial support of the school is shared by all parish families through regular contributions to the parish, and by school families through their parish support, tuition, and various fund raising activities.

The success and effectiveness of the school and its integration into the total parish community depend greatly upon the involvement of the parents, not only in the reinforcement of the religious formation that takes place daily in the school, but also by volunteering whenever possible, and supporting your parish in other ways.

#### Supporting Your Parish

It is expected that each school family will:

1. Attend Sunday Mass with your child/ren.
2. Participate in parish activities.
3. Volunteer at least 40 hours for school or parish activities such as School Committee, fund-raising efforts, or a ministry at Liturgy.
4. Contribute to the parish over and above the amount of your school tuition (tuition covers approximately 50% of the cost per student).

#### Payment Plan

The **preferred method of payment** is by electronic withdrawal, which will take place the 5<sup>th</sup> of the month beginning in July. Families may request additional information explaining this plan.

#### Tuition Payment Schedule

**Monthly payments begin in July and end in April. Payments will be due on the 5<sup>th</sup> of the month.**

#### Tuition Rates for 2012-2013

Tuition rates for the 2012-2013 school year will be approved by the School Committee. If you are interested in receiving information about the entire budget, please contact the school office or a member of St. Anthony's School Committee.

#### Fees

The School Committee will establish the fee schedule for the 2012-2013 school year. All fees must be paid prior to the start of classes. Book and registration fees are non-refundable. All fees apply to both parish families and non-parish families.

#### Non-Parish Families

Tuition costs for non-parish members are established by School Committee policy and are based on actual per student costs.

#### Tuition Assistance

The family portion of tuition may be reduced based upon a demonstrated need for such assistance. Families requesting assistance must fill out an aid application (available at the school office), and submit it to the school office. If you are currently receiving tuition assistance, please be aware that you must reapply each year.

*We will strive to provide the nurturing Christian atmosphere that our students need to grow and learn. If at any time you have concerns, please make an appointment with the principal or contact any member of St. Anthony's School Committee.*
