Dear St. Vincent de Paul Meal Program Servers,

Thank you for your willingness to serve at the St. Vincent de Paul meal program. We have scheduled each individual to serve once during the year due to the number of parishioners who signed up for this ministry. The meal site is located at 931 W. Madison Street in Milwaukee which is at the intersection of 10th Street and Madison Street, one block north of Greenfield Avenue. We kindly ask all servers to be at the meal site by 5:10pm. If you would prefer to car pool from St. Anthony's Church, we ask that you arrive at the upper parking lot by 4:25pm. The car pool usually leaves by 4:30pm. You may bring family members with you; we ask that any children who serve be at least 5 years of age.

We are grateful to you for making it possible for St. Anthony's on the Lake to be involved in the St. Vincent de Paul meal program. If you are unable to serve on the date you are scheduled, please try to exchange your date with someone else on the list. If you are unable to continue as a server or have any questions, please call Kiara Mack at 262.367.5893.

With gratitude,

Kiara Mack
