

## VIRTUS – Safe Environment Education

**All school, parish, or athletic volunteers:** if you volunteer at St. Anthony's when children are present, you are required by the Archdiocese to attend an awareness session on "Safeguarding All of God's Family." How to register:

- Go to [www.archmil.org](http://www.archmil.org)
- Click on the "Events" tab in the upper right corner.
- Scroll through the calendar until you find a "Safe Environment Education" location of your choice and click on it\*.
- If you want to attend this session, click on "Online Registration" and follow the prompts\*\*. If not, click the "Back" button and return to the calendar and continue scrolling to find another location.

Notes:

\* You do NOT have to take this course at St. Anthony on the Lake. You may take it anywhere that is convenient for you. However, if you take the session elsewhere, please do the following:

- Get a certificate that night stating you have attended.
- Get in touch with Jane McLaughlin in the parish for other required paperwork as soon as possible after your training.

\*\* If you are asked for a User ID, enter your email address.

If you do not have computer access or have other difficulties, contact Jane McLaughlin in the parish office.
