Excellence Begins Here!

 *K3/K4/K5* 

Queen of Apostles School

A Foundation of Excellence to Last a Lifetime

At Queen of Apostles School, KINDERGARTEN means
Exceptional Academics...and so much MORE.

Our creative and loving environment emphasizes a
FAITH-based curriculum where each child is encouraged
to realize his or her greatest potential.

INTEGRITY, COMPASSION and RESPECT -
the cornerstones for a life lived in excellence -
this is what makes our program one of distinction.

In Christ, a Foundation of Excellence is created.
Religion and prayer are woven throughout our academic day.
In addition, children learn the importance of giving back,
serving others, and respecting the earth and its resources
through hands-on community service activities.
